Bowling @ Gisborne

our community club...

Club Events

Sheets to nominate for the Club 21up, 100up and Mixed Pairs are now on the noticeboard.

Entries will close on 20th January at 5pm.

Pairs Finals will be played in the near future. These events will be held at the same time and are 3 bowl pairs over 18 ends. A date and time will be advertised on the noticeboard.

New Green

Please note that bowlers from any club playing on the new green will need to have a delivery that does not involve dumping that has the potential to damage the green.

If you need someone to check whether your delivery might be a problem and/or need advice contact a Club Coach ASAP.

Wallis/Hunton Green

The current rink set up will remain for the rest of the Pennant season. Make sure you are familiar with all hands on all rinks.

Layton Homes Tournament

The tournament has been postponed until early April so that both greens can be used. It remains a 2 bowl triples event. Each team will play 4 games of 10 ends and the top four teams will be involved in a play off.

Coaching advice...

People that belong to a club by nature wish to help. This is one of the many great things about bowling clubs.

HOWEVER...where advice about bowling is concerned this is solely the domain of club coaches.

If you are inclined to be helpful please don't.

If you receive advice be polite and then ignore it.

If you would like some advice ask a club coach.
